OPERATION ORDER  
MCB7 OPORD 28-67

ANNEX A

CONCEPT OF OPERATIONS

1. General. The three week training period at CAMEJ will consist of classroom, specialized and field training during the first two weeks, and a Field Exercise (FEX) during the third week. A motor convoy and advance support party will depart Davisville on or about 1 April 1967. The main body of the Battalion will deploy on or about 8 April 1967. Although this deployment is for the purpose of securing advanced military training, the deployment shall serve the secondary purpose of providing an opportunity to condition the Battalion in the general conduct of operations under deployed conditions. To this end, all normal Battalion functions shall be continued and shall be continuously exercised on a "not to interfere with formal training" basis.

2. Organization. The normal Battalion and Company organization shall remain intact throughout the deployment, except as otherwise specified in Annexes to this OPORD and formal class rosters.

3. Responsibilities.

a. The S-2 is responsible for overall co-ordination of the training effort while at CAMEJ. In addition, the S-2 will publish such training schedules as may be required to effectively present the overall training effort, and will co-ordinate preparation of the FEX OPLAN with the S-3.

b. The S-3 will co-ordinate all construction projects, and is in charge of tactical employment of the Battalion during the FEX.

c. The Alpha Company Commander shall co-ordinate all Battalion transportation requirements with the FIRSTTR as outlined in sub-paragraph 3.d, below.

d. All liaison with the MARCORBASE and component activities will be effected through the FIRSTTR representative to be assigned to the Battalion during this training period.

4. Co-ordinating Instructions.

a. The senior officer or petty officer present shall insure that all training areas/locations are policed before securing from any unit exercise or function.

b. A commissioned officer shall be present with each company effecting training.

OPERATION ORDER  
MCB7 OPOD 28-67

c. The S-2 will deploy to CAMLEJ about a week ahead of the main body. Among other tasks he will accomplish will be assignment of barracks spaces to the companies. Upon arrival at CAMLEJ, company commanders will designate which units of their company will occupy which building(s). Company offices shall be established within the respective company barracks area and shall be reported to the Battalion Command Post as soon as established.

d. Prior to final departure from CAMLEJ, company commanders shall cause all areas occupied by their companies to be thoroughly cleaned and the surrounding areas to be properly policed and left in a neat and orderly condition.

2. Organization. The Battalion and company organization shall remain intact as much as practical throughout the deployment except as follows:

a. The Basic Advance Infantry training classes will be made up of two groups of approximately 200 men each. S-2 will publish the actual formation of these groups as a Tab to Appendix I to this Annex.

3. Responsibilities.

a. The S-2 is responsible for overall co-ordination of the training effort while at Camp Lejeune. In addition, the S-2 will publish weekly training schedules and those items published separately from this OPOD.

b. The S-4 will co-ordinate with S-2 to ensure that MCI's are available for field meals when necessary, as well as for the FEX.

c. The S-2 will distribute to all company commanders the quotas granted to MCB 7 for personnel to attend specialized courses, as well as the number of teams and personnel required to man crew-served weapons. Company Commanders shall provide S-2 rosters of personnel attending designated schools.

4. Co-ordinating Instructions.

a. All personnel shall carry a notebook and pencil to class.

b. Upon arrival at CAMLEJ, all Officers will study Regimental Order P11102.1E, Range Safety Regulations, to qualify as Range Officers.

c. Information regarding personnel berthing in areas other than that occupied by the main body of the Battalion will be disseminated upon arrival at CAMLEJ.

d. The S-2 will ensure that sufficient equipment and materials are taken to CAMLEJ to enable the Training Office to conduct normal planning and military training functions. During the period the Battalion is deployed to CAMLEJ, no correspondence courses or educational matters will be handled.
